**Sub : An Opportunity to Degree students to participate in N.S.S activity for NIP -2023**

Respected Sir/Madam,

On behalf of Bharatiya Samata Hindi Prachar Parishad we would like to present a few lines for your reference and favour. We have taken up a proposal for the distribution of Hindi books through the help of NSS volunteers to school children. For this we have also received permission from the Central Govt. We now request you sir, to motivate candidates from other disciplines also other than N.S.S to Come forward and render a helping hand for the distribution of books in your vicinity. This will bring the name of the institution into lime light as the books would be distributed in the name of your institution. The participants will also receive appreciation service certificates and get an opportunity for educational charity which is a great blessing. The institution management heads will receive national integrity award at the central level for this participation.

kindly motivate and entrust some candidates for the service.

Thanking you sir.

Expecting an early and favourable response.

Thanking you.

Yours faithfully

Principal

B.S.Hindi Prachar Parishad
